Role description

This is a fantastic opportunity for a law student to gain invaluable practical experience within the in-house legal department of an international company which operates globally. Mentored by the General Counsel and DPO of the company, you will be working daily on the legal aspects of the company. This is a great chance to experience and develop legal knowledge within an international leader in its field, a great addition to your CV and boost to your career aspirations. ESPA has placed multiple students, over the past 7 years, with this host company!

Tasks

- Undertake autonomously legal researches and analysis into labour and business law
- Providing legal support for all European departments
- Help writing legal paperwork related to company policies
- Preparation of Integration Resource Plan (IRP) meetings
- Translate legal documents into English
- Revision of commercial agreements

Desired Skills

- Languages: Good spoken and written German and English levels are required (B2 onwards)
- A desire to have a successful career in a law firm or in a legal department and obtain the means to succeed
- Loyal, reliable, proactive, rigorous and self-motivated and a good team player
- Act on feedback for continuous improvement
- You relate well with people and have the technical abilities to analyse a lot of information and present them in a concise and accurate manner
- Work experience in the legal field would be advantageous
- Studies or interests in data protection law and business law would be an advantage

The Host Company
